Docket No. 98N-1265 8734 99 JUN -2 A10:47
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I use progesterone cream that is compounded in Wisconsin, I live in Minnesota. This cream has enabled me to use a hormone therapy that my doctor prescribed because I cannot swallow the progesterone as a pill - it makes me sick.

Please do not restrict my right to good medical care.
